DETAILED ACTION

Drawings

The new drawing entered on 18 October 2007 has been accepted.

Allowable Subject Matter

Claims 1-12 and 38-70 are allowable.

The following is a statement of reasons for the indication of allowable subject matter:

Prior art fails to teach a molded door skin, construction component, or door which has a surface which encompasses a combination of both spaced grooves which simulate an appearance of wood ticks in combination with tonal portions, as described in the specification, for retaining stain and simulating an appearance of wood background tone. The specification discloses the tonal portions as a planar area having a plurality of spaced depressions, which appear as open box-like recesses, or pockets, having a substantially square configuration.
